

Who are we:

We are a Christian based, 501 (c)3 non-profit puppy rescue in Cabarrus County, NC.

We believe that all animals are God's creatures and we are put on this earth to care for them as Christ cares for us.

Our Mission:

To provide a safe & loving environment for puppies, pregnant female dogs and female dogs that have recently given birth.

Educate people on the importance of spaying & neutering their pets, making sure their pets are kept current on shots, heart-worm and flea preventative.

We help people to understand that pets are not disposable.

They are to be members of the family and not thrown away.
